At the University of the People, our mission is to offer an accessible, quality education to any qualified student—that's why we're tuition-free.

In order to remain sustainable, we charge small fees for applications, credit transfers, and course assessments. Fees are subject to change and are always the responsibility of the student. This includes any additional banking fees related to credit cards, checks, money transfers, etc.

Below you can read about some of the fees you'll encounter as a student at UoPeople.

Applicants pay a one-time, non-refundable Application Fee of $60. This fee must be paid at the time the application is submitted.
